

National Competitions

SECTION 5

HORSE TRIALS CHAMPIONSHIPS

1. The country will be divided into eight regions. Each of the eight regions will be asked to hold a qualifier to determine which riders will compete in the championship classes.
2. The top four rider & horse combinations from each graded class at each regional qualifier will go forward to the championship final. If a rider & horse combination has already qualified at a previous qualifier, the next best placed rider will go forward to the final.
3. If a qualified rider cannot compete at the championship final, the placed will be offered to the next best placed rider at their respective qualifier.
7. Non qualified riders may compete in national classes including young horse. Rider & horse combinations must have completed a horse trials, hunter trials or cross jump competition after the 1st May before the national event.
8. A club team championship is open to teams of 4 riders from one club competing in either the championship or non-championship (national) classes excluding the young horse class.

Teams must consist of 3 or 4 riders representing no less two grades. Please note that team members must be from the same club.

The best three scores will count towards the teams overall score.

9. *Horses:* Horses must be entered under their registered name as described on their passport.
