

LETTERKENNY RIDING CLUB
DECLAN'S, LISMONAGHAN

From the Port Bridge take the first right into the Cullion Road (you can also join the route by taking the first right going up Lurgybrack). Keep going along the Cullion Road past the cement works and then bear right at the Y-fork in the road. Continue for a mile or so and cross a more major route at a staggered cross roads. Declan's is a cut stone farmhouse up a short laneway on the right, clearly visible from the road.
