

# TREC Ireland

is looking for young riders who would like to train with us  
with a view to representing Ireland at international  
competitions.

The next competition is the EUROPEAN YOUNG RIDERS  
OPEN CHAMPIONSHIPS which is taking place in Belgium in  
September 2013.

A young rider for international competitions must be between the ages of 16 and 21.

TREC is a three phase sport, consisting of orienteering (32kms for Young Riders), control of paces (150m corridor for walk and canter) and obstacles (cross country course between 1 and 5kms in length, consisting of a mixture of jumping obstacles and TREC obstacles). This means that TREC is truly a multi-disciplinary sport which has elements of dressage, cross-country, endurance and western trail riding.
