Primary – 70cm

Advanced Primary – 80cm

Intermediate – 90cm

Advanced Intermediate – 1m

Open – 1.10m

Advanced Open – 1.20m

There will be graded sections in each class and a training section where riders of a different grade may compete in whatever height they wish. It is ideal for those with novice horses or those wishing to upgrade or downgrade. A horse can compete up to 4 times in one day. All graded classes will be run under AIRC rules. Training classes for Primary and Advanced Primary will be run under optimum time. Training classes for Intermediate and above will be run at either optimum time or 'against the clock' at riders discretion. Training classes do not count for points.

Prizes 1st to 3rd and rosettes 1st to 6th for accumulated points over the 3 shows for leading rider in each grade. There will be double points at the final. A competitor may ride more than one horse, but must nominate the horse they wish to ride for points at the time of entry, before the start of the class. The other horses ridden in the same class by the same competitor are therefore *hors concors*. Correct headwear and footwear is essential. Members are reminded to observe proper dress, especially at the final. AIRC membership cards and equine passports must be produced at each show. The shows are a joint enterprise between Donegal Gaeltacht, Letterkenny and Tirconaill Riding Clubs. We depend on the help of our members and volunteers to run the shows. If you see something that needs doing, please 'chip in'. Your help is very much needed and appreciated. The 3 clubs will take it in turn to provide volunteers for the day. Letterkenny will run the show on 28th October, Tirconaill will run the 4th November, and Donegal Gaeltacht will run the final on 11th November.
