

# **Horse Of The Year 2012**

## **Fenway**

- He has had a rough time of it but is beginning to make his mark.
- For not giving up and going strong in his platform shoes.
- For getting to flowerhill.
- For being there for the whole year, sound healthy and well, never missing a day with a sick note, and doing everything that was asked of him.

## **Teldel**

- Is 22 years old. Oldest horse in riding club and national title winner in 2012.
- For his brilliant flowerhill.
- The best schoolmaster in the club.
- His careful shepherding of Enda, Pauric and Blackie around Flowerhill was one of the most memorable performances of the year.
- Makes Enda look good no matter what gear he chooses to wear.
- Great attitude, always willing to take things on.
- A great friend for Marina and for the whole family.
- He is a legend, kept Enda alive going round Flowerhill.

## **Charlotte**

- Most talked about horse in the club

## **Davey Arthur**

- As we have seen him come up through the ranks, along with Denis of course, he has shown his willingness to please and trust even when faced with a 1.10m! You would have to of been there marvel the occasion

## **Lizzy**

- She gets on with the job without a fuss.

## **Zak**

- This character is who he is and will not compromise. Everyone stops to watch Zak jump. His energy, enthusiasm (and sometimes his decision making) are not quite in keeping with a horse of his vintage and isn't that why we love him. He is a wonderful companion to

Francis and has to be one of the most consistent and reliable horses actively participating in all aspects of riding club since the Letterkenny Riding Club was first formed.

### **Francis Mc Nicholl**

- Francis is one of the corner stones of the club. He is a gentleman who carries out his voluntary duties in a quiet efficient manner. On show days he has a bright smile and welcome for every member and often is the person with just the right words of encouragement to turn nerves into positive energy or bring out a smile when things are not going well. His consistently smart turnout also deserves a mention, with he and Zak always looking their best for competition. He is a regular supporter of all our club activities and is never shy of putting in work to help out the club and its members.
- Francis is the clubs godfather, whether it's the most important club decisions or the donkey work preparing for shows, you can always depend on Francis.
