Advanced Open – 1.20m

Novelty Classes at the final

Prizes 1st to 3rd and rosettes 1st to 6th for accumulated points over the 5 shows, for leading rider in each grade. There will be double points at the final. Where possible entries should be made prior to the start of the class. Competitors must nominate which horse they wish to count for points on any given day. They may enter other horses but will not receive points for them. Where a horse is being used excessively on any one day and showing clear signs of fatigue and distress due to lack of fitness or over-use, the organisers or safety officer have the right to ask the rider to withdraw that horse or to disqualify them from further use on that day. Correct headwear and footwear is essential. Members are reminded to observe proper dress, especially at the final. AIRC membership cards and equine passports must be produced at each show. The shows are a joint enterprise between Donegal Gaeltacht, Letterkenny, Inishowen and Tirconaill Riding Clubs. We depend on the help of our members and volunteers to run the shows. If you see something that needs doing, please 'chip in'. Your help is very much needed and appreciated. The 4 clubs will take it in turn to provide volunteers for the day. Letterkenny will run the show on 9th Feb, Donegal Gaeltacht will do the 16th Feb, Inishowen will do the 2nd March, Tirconaill and Inishowen will do 9th March, and Donegal Gaeltacht & Letterkenny will run the final on 23rd March.
